

BOBBY KUMAR

Web & App Developer

+91 7986913129 bobbybk03@gmail.com b0bby-dev.github.io/portfolio Amritsar

SUMMARY

I am an enthusiastic and self-motivated web and app developer with expertise in React, React Native, Java, Python, and MySQL. I excel in creating responsive websites and mobile applications, laying a strong foundation in programming and database management. Always eager to learn and innovate, I thrive on contributing to new projects and enhancing user experiences.
